An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney Kurt Rylander on December 21, 2004.

The application has been amended as follows:

Claims 1, 2, 5, 6 and 9 have been canceled due to their anticipation by either Drewnicki or Collier et al.

The following is an examiner's statement of reasons for allowance: None of the prior art of record, particularly Reichle, discloses a cable jack housing hingeable between 180 degrees and 90 degrees to a cable plug adapter such that a cable connected to the jack can be hinged to be parallel to the wall socket. It is noted that the claims are considered to be directed to an RJ-type connector.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary F Paumen whose telephone number is 571-272-2013. The examiner can normally be reached on Monday-Thursday.
